**FOR IMMEDIATE RELEASE
ACTION ALERT**

**GEORGE SOROS
Will Attempt 'Trump-Takeover-Coup'**

5/20/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

On May 20, 2017 Lisa Haven posted a YouTube video titled, "ATTENTION: Deep State Chat Log INTERCEPTED—What's On It, Is Even More TERRIFYING!" In the video she says:

"Hi everyone Lisa Haven here and I've got bombshell news to share with you and some in which I believe can prove there is a planned coup against the United States president... against our president Donald Trump!"

"You're going to want to hang with me on this because there's a lot to go through but it's very, very important that you follow it with me."

"Now for starters many of you are probably aware of the dark web which is a place it's where a lot of the legal action happens but you can go on there and you need special encrypted software in order to get on there but it's a way of working from behind the scenes or working around things on the dark web..."

And then she continues: See entire video at: <https://youtu.be/G7nC6J8WWcE>

The American Resistance Party is confident to say that the video matter that Haven describes is orchestrated by George Soros. Soros has enough cash dumped into buying contacts in the Press, the Democrat/Marxist Party, and business corporations so he can have his thumb on the DARK WEB and anywhere else his money can buy-in.

If one were to GOOGLE the words, "George Soros takeover coup" it will be discovered that Soros is big on coups and takeovers!
