COMMITTEE ON HOMELAND SECURITY
 AND GOVERNMENTAL AFFAIRS
 COMMITTEE ON ENVIRONMENT
 AND PUBLIC WORKS
 SELECT COMMITTEE ON INTELLIGENCE
 COMMITTEE ON THE BUDGET

June 16, 2017

Thank you for reaching out to voice your concerns about the workings of our government and the state of our nation. The importance of civic involvement cannot be overstated, and it is an honor to serve as your United States Senator. I have heard your concerns, and my legislative work will continue to be guided by the needs of constituents like you.

*I believe that each and every American has the right to education, public safety, and health care. I have dedicated my time in the Senate to fighting for the most vulnerable among us and defending the inalienable rights guaranteed by our Constitution. **It is for this reason that I introduced the Access to Counsel Act, which guarantees legal counsel for those detained while entering the United States,** passed a bipartisan resolution condemning ethnic and religious hate crimes, and introduced the Empowering Federal Employment for Veterans Act, a bipartisan bill to boost federal employment opportunities for the veterans who gave so much to defend our nation. I am proud of the progress we have made during our time in the Senate. And still, I know our work has just begun.*

As a career prosecutor and the former Attorney General of California, I understand that our constitutionally-guaranteed rights must be diligently protected. I will fight to protect these rights, and make sure that our voices not silenced or forgotten. As your senator, I will spend my time in Congress advocating for every Californian and every American.

Thank you again for reaching out. If you have additional questions or concerns, please do not hesitate to visit my website at www.harris.senate.gov or call my Washington, D.C. office at (202) 224-3553.

Sincerely,

Kamala D. Harris
 United States Senator
