While you're at it...

On page 6/12 you mention the snake-in-the-swamp, Alex Padilla (pretend Attorney General of CA). Please be advised that this rat-poop is NOT a citizen of the United States nor of California. He claims to have been born in Sacramento but no birth record can be found for him. As a long time genealogist (since 1969), I can attest that he cannot prove his citizenship to our state.

And while I am at it, Kevin de León, the current pretend CA Senate Pro Tem is another non-citizen usurping office. First he claimed he was born in San Diego, and now his newest bio claims he was born in Los Angeles... In a recent news interview he claims most of his family would be considered ILLEGAL ALIENS. See: <http://losangeles.cbslocal.com/2017/02/06/senate-leader-half-of-my-family-eligible-for-deportation-under-trump-order/>

And while I am still on a roll...

Gov Moonbeam, the snake that was attorney general during the Alan Keyes vs Bowen/Obama. Moonbeam knows the 1990 Prop 140 was a "people's constitutional amendment" to the state constitution. We demanded in our Constitution that Art 5, Sec 1 "*no governor shall serve more than two terms.*" Moonbeam claims the constitution does not apply to him, and he is grandfathered in and can serve the FOUR TERMS he currently is usurping. We the people did NOT GRANT HIM any sort of grandfathering!

I can go on, but politics are so dirty in California that the above court case will NOT drain the swamp!

And too, if Soetoro, the illegal alien citizen from Kenya and Indonesia served 8 years as a bonafide criminal (as per ex-Sheriff Joe Arpaio) then how can we have good fruit from a bad tree? If Soetoro is/was unconstitutional and ineligible, then how can Trump spring forth as good fruit? Your case identifies Pence, Trump as legitimate leaders of a failed/defunct constitution. How can that be?

Anyway... my two cents worth.

NOTE: [Sacbee.com](http://sacbee.com) printed a NEW pack of de León lies in February 2017. They titled it, **"The untold story of how Kevin Alexander Leon became Kevin de León."**

de León's big lie was that his name was a lie for 50 years, but now he isn't lying about his name. But when research is done on his name, we find that his so-called birth name is linked to three different (ancestry.com) addresses on the same date in L.A.

Name:	Kevin A Leon
Birth Date:	10 Dec 1967
Address:	1207 Bellevue Ave Apt 3, Los Angeles, CA, 90026-5161

Name:	Kevin A Leon
Birth Date:	10 Dec 1967
Address:	5400 Range View Ave, Los Angeles, CA, 90042-1816

Name:	Kevin A Leon
Birth Date:	10 Dec 1967
Address:	2505 W 6th St Apt 606, Los Angeles, CA, 90057-3148

Therefore, de León claims to be a 14th Amendment U.S. Citizen. The 1963 Supreme Court ruled that the 14th Amendment allowed all illegal aliens can become like the black slaves who had been freed from slavery by the civil war. The court morons said that illegal aliens that were born in the U.S. could be citizens without naturalization just like former slaves. This is a ruling without constitutional authorization.
