## **AMERICAN RESISTANCE PARTY: 'Sanctuary Cities Unconstitutional'**

**7/28/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**[fixthisnation.com](http://fixthisnation.com) posted an article titled, "ICE Chief Names and Shames the Four Worst Sanctuary Cities in U.S." They state the following:**

*One can only imagine how often and how tightly Thomas Homan, the acting director of Immigration and Customs Enforcement, had to hold his tongue when serving under President Obama. We're betting he nearly bore a hole through it, given how obviously enthusiastic he is about his new boss in the White House. At every opportunity, Homan (along with Homeland Security chief Gen. John Kelly) demonstrates that he is on the exact same page as Donald Trump when it comes to reversing Obama's lawless immigration policies and restoring order to a country that badly needs it.*

*As such, Homan is plainly disgusted with cities that aren't going along with the plan. And in an interview with the Washington Examiner this week, he was as clear as he could be about jurisdictions that harbor illegal immigrants from deportation.*

*"Sanctuary cities, in my opinion, are un-American," Homan told reporter Paul Bedard.*

*Of those cities, which number in the triple digits, Homan said that four were the worst: San Francisco, Philadelphia, Chicago, and New York City.*

**The [American Resistance Party](http://www.americanresistanceparty.org) condemns all private organizations, communities, States and other groups that refuse to comply with the United States Constitution. The constitution states that ONLY Congress can make naturalization laws.**
