EDWARD C NOONAN RESPONDS:

Even the "Soetoro's Official Library" is bogus!

Isn't it strange, that every collaborator in America is WILLING to NOT allow any records BEFORE 2008 regarding the rat-bastard illegal alien named Soetoro (aka BHO) but they want to build a LIBRARY for only A SELECTED FEW ITEMS regarding this criminal thug AFTER 2008! I reviewed the .pdf found at Jonathan's link: <https://www.courthousenews.com/wp-content/uploads/2018/05/24.pdf>

On Page 3, Item: 5 it accuses the Soetoro collaborators, "Among the critical reactions to this institutional bait and switch is an article that appeared in American Thinker which put it succinctly as: "The so-called 'Obama Presidential Center' in Chicago is not a presidential library, and it is not part of the National Archives. It will contain no collections of presidential papers and therefore will have little if any value to historians and scholars of his presidency. It is a private building, financed by private donations. Its function appears to be serving as a monument to the man himself [to replace] a treasured legacy of the Chicago World's Fair that defines the surrounding neighborhoods." [end quote]

Even after 9 years the cover-up continues. Not a single Marxist Republican conspirator in Congress has issued a peep about the hundreds of lawsuits filed against this rat-bastard Soetoro pertaining to his records and his stolen ID! I wonder... Is my Supreme Court accusations going to be in this Soetoro library? I wonder if my court case against him going to be translated into the Indonesia language where Soetoro spent his early childhood years? Or will this court case be translated into the Kenyan language where Soetoro was born?

Or better still, will the millions of pages of responses to the Sheriff Joe Arpaio "investigation" into the bogus ID schemes that Soetoro effected be readily found in this cesspool library?

I do not believe these true records will be found therein! Instead, the lies, the deceit will be the filth that will be the only thing that will be found. **Here's an excerpt of my Supreme Court case that was DENIED TO BE HEARD!**

This is the matter of the most egregious crime ever committed against the United States of America and People of the United states of America and the most serious breach of the U.S. National Security, namely usurpation of the U.S. Presidency by a citizen of Indonesia, born in Kenya, Barack (Barry) Soebarkah, aka Barack (Barry) Soetoro, aka Harrison J. Bounel, aka Barack Hussein Obama, using all forged IDs and a stolen CT Social Security number as a basis of eligibility and as a basis of his U.S. citizenship. Plaintiffs submitted with their original complaint and subsequent pleadings some 150 pages of sworn affidavits of top law enforcement officers and experts, showing Obama committing massive fraud and using a stolen Social Security number xxx-xx-4425, forged birth certificate and a forged selective service certificate. This represents suspension of all civil rights an deprivation of all civil rights of the U.S. citizens, as the top position in the executive branch is being usurped by a foreign citizen, who has no allegiance to this nation and who is using forged and stolen IDs as a basis of his eligibility.
