

RECALL CAMPAIGN INFORMATION

STAGE ONE

Pre-Recall. This Stage is gathering “proponents” to initiate a recall. Once enough Proponents are gathered the official Recall will begin. Anyone can gather Proponent signatures and identifying information.

STAGE TWO

OFFICIAL RECALL CAMPAIGN: As soon as we have enough proponents, and the proper papers are filed the recall campaign will officially begin. Be sure to remind all proponents who originally signed the PROPONENT form to be sure to sign the official recall paperwork as well. Only registered voters can collect signatures.

WHO IS BEING RECALLED?

The answer is simple. ALL ELECTED PUBLIC OFFICIALS who have not been active in vetting Mr. Obama and verifying his citizenship in the U.S. will be recalled. We will start with the offices of Governor, Secretary of State and Attorney General and all 58 County Voter Registrars of California. Later we will expand to all County District Attorneys and Sheriffs. Next all legislators and judges.

WHERE CAN YOU GATHER SIGNATURES?

You can gather signatures anywhere that is “open to the public.” Do not work at areas that are “closed after hours” or posted as “no trespassing.”
